GOLD MEDAL SEEDS  
and Service

LOUISVILLE SEED COMPANY  
INCORPORATED

FIFTEENTH AND LYTLE STS.

LOUISVILLE, KY.

October 1, 1925

To Our Friends and Customers:

TWENTY FIVE YEARS is not a long time as compared with the period of time which has elapsed since Columbus discovered America. But why the reference to a QUARTER OF A CENTURY?

TWENTY FIVE YEARS has passed since the establishment of the Louisville Seed Co. From a very small beginning we have had a gradual growth until we are now one of the largest concerns in the South, doing an exclusive wholesale business in field seeds. Many of our friends who will read this letter have been handling Gold Medal Field Seeds since the early days of our organization. We gratefully acknowledge our appreciation of these good friends, and all others who have given us any part of their patronage during these years.

Just a word concerning the personnel of our firm. The writer of this letter and his brother Mr. Harvey Dee Hays have been with the firm from the beginning. Mr. Owen T. Watts, our Secretary, has been with us for thirteen years. Mr. Watts had large experience in the seed business before coming with us. He has been quite active in the affairs of our company, and enjoys the distinction of having unusual ability as a seedsman.

Mr. Joe D. Marshall, our Treasurer, after sixteen years of loyal service, recently severed his connections with us to become associated with his brother in the conduct of the affairs of the Kentucky Feed and Grain Co. Mr. Marshall is honest and upright in all his dealings. He deserves to succeed, and has our best wishes for unbounded success in his new line of endeavor.

We have a large and commodious warehouse, with our own private switch. We are well equipped with up-to-date machinery for the prompt and efficient handling of a complete line of field seeds. We make a bid for your business on the high quality of our seed, and the service we render.

Finally, we are entering on our twenty-sixth year full of hope for the future, and with the expectation of making this one of the best years of our business experience. Write us freely, concerning your wants, large or small, for immediate or future use. Our experience and facilities are at your command, and we confidently believe that we can assist you in making your seed business profitable.

Very sincerely yours,

LOUISVILLE SEED COMPANY
